RE: Freedom of Information Act Request

To Whom It May Concern:

I am writing to request access to certain records pursuant to the federal Freedom of Information Act, 5 U.S.C. 552, with regard to the following location:

- **4200 North Pan Am Expressway, San Antonio, TX**

Specifically, I am requesting access to any and/or all information (public records, documents, etc.) for this location with regard to:

1. operational history;
2. site investigation and remediation;
3. enforcement activities or violation of environmental regulations;
4. the emission, release, disposal or leaching of hazardous waste or hazardous substances from the property to the environment or sanitary sewer and/or septic systems;
5. the generation and handling of hazardous wastes at the site;
6. agency inspection records/reports;
7. spills or other "incidents";

8. technical information or data pertaining to sampling and/or analysis of surface, groundwater, air, soil and sediments at the site;
9. citizen complaints;
10. any environmental permits including, but not limited to, wastewater discharge permits; and
11. the former and/or existing presence of underground and aboveground storage tanks used to manage petroleum products, hazardous wastes, hazardous substances, waste oils, and any tanks used for spill containment purposes of any said materials including size, age, type, numbers and testing of these tanks as well as spills, leaks, releases, inspections and violations related to these tanks.

Please compile the requested records at your earliest convenience. If the documents are too voluminous to copy and send, please let me know and I will arrange for someone to review them in person.

If you have any questions regarding this request, please call me at 585-263-1523.

Thank you for your anticipated responsiveness to this matter.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "Richard A. Marx".

Richard A. Marx, CPEA
Senior Environmental Engineer
